

## **2007 MVC Baseball Championship**

### **Game 2 Quotes - No. 2 Creighton 8, No. 5 Southern Illinois 5**

---

#### **Ed Servais, Creighton Head Coach**

"It wasn't very pretty but we still got things done. Again, a sign of a good club is that we were able to rally back. The game was a much better played game the last few innings from our standpoint."

"I'm proud our guys hung in there. We didn't start out the way we wanted and I don't think we can hang in there if we come out again like that. But we found a way to get through it, just like this team has been doing all year."

#### **Andrew Small, Creighton - On the slow start**

"I don't think we were really nervous. They came out strong, we had errors. We just weren't ready to play and that showed. But with Chad's (Ogden) home run, it really picked us up."

---

#### **Dan Callahan, Southern Illinois Head Coach**

"I give a lot of credit to Venditte...we got to their bullpen early and felt good about our chances, but Venditte kept us guessing."

#### **On Shawn Joy**

"Shawn struggled with his control. It just wasn't his day."

#### **On the two errors in the eighth inning**

"It is borderline embarrassing how things evolved in the eighth inning. I was disgusted how we played offensively."
