

Game 7 Creighton v. Bradley

BRADLEY

Coach Dewey Kalmer

On Collin Walker: I thought today was a masterful pitching job today by Collin Walker. He wasn't overpowering anyone but he kept them off balance all day long.

Play of Game: The big play of the day was Brewer's play. With two outs and a man on first the two hole guy laid down a perfect bunt and Brewer made a big league play. If he doesn't make that play, Creighton has Daeges up, and it took them out of that.

Collin Walker

On Year: It has been kind of a rough year. Coming off of my success last year and having the year I have had this year. I'm trying to work through a lot of the mechanical stuff. I am feeling like the old me a little bit.

CREIGHTON

Coach Ed Servais

On Collin Walker: You have to give credit to Collin Walker, he looked sharper today, and he had command of three pitches which kept us off balance.

On Game: When we did get runners on we just couldn't execute and that is really something we had done an excellent job throughout the year, was execute the bunt game, but today it just wasn't there. It ended up costing us when you get in these one to nothing games you have got to do those small things correctly.

Zach Daeges

On Hitting well the first game and not the next two: That is the way it has been all season, we hit well and then we just couldn't get it going. We are kind of streaky, we needed that one big hit to get us going every game but just didn't seem to get it the last two games.
