

## Game 10 Evansville v. Missouri State

### MISSOURI STATE

#### Coach Keith Guttin

**On Game:** They did things necessary to win. They made some plays and their reliever did a real nice job. Evansville played real well.

#### Jake Shafer

**On Pitching:** I had to make my approach to the wind, it factors in. Tried staying away from righties and busting lefties in. I just wasn't hitting those spots and that's exactly what happened with that home run, I left it over the plate and a good hitter did what he was supposed to do.

### EVANSVILLE

#### Coach Dave Schrage

**On Game:** The game was taking advantage of some breaks. The big play of the ball game was when we had two outs and the ball bounced out of Hilgendorf's glove.

**On Pitchers:** We thought they were getting on to Mitch. They were starting to sit on his fastball, so it was a good time to bring in Matt. He is a good control guy and that is typical of how he has thrown all season. It is nice to have someone as versatile as him.

#### Matt Brinkmann

**On Today:** I knew that I was going to have to come in at any point of the game. I was supposed to be ready for pitch one to the ninth inning. The way things were today you just keep the ball down and keep the ball out of the air.
