Bradley University Cross Country
Newman Golf Course
5,000 Meters

The 5,000m course consists of one 2,000m loop, followed by one 1,000m, and concludes with a 2,000m loop. The first 2,000m loop (Start – 2K) is mostly flat. The second 1,000m loop (2K – 3K) has a long steady uphill, followed by an equal downhill. The final 2,000m loop (3K – 5K) is rolling hills, with every uphill matched by an equal downhill.
