OPPONENTS

In 2013, North Dakota State became the first league team to win every game (15-0). The Bison matched that in 2018 (15-0) and surpassed that in 2019 (16-0). In league history, 17 teams have started a season 6-0 or better, and all 17 went on to postseason play.

North Dakota State's 16-0 season in 2019 marked the first perfect 16-win campaign in the modern college football era (and first since Yale in 1894).

* FCS playoff participant that season

UNI and Southern Illinois both won their first six games in 2007. (SIU lost its seventh contest at UNI on Oct. 13, while UNI lost Game 13 on Dec. 1 to Delaware). It marked the first time in conference history two league teams started 4-0 (let alone 6-0) during the same season.

In 2014, Illinois State (7) and North Dakota State (9) started the season with lengthy winning streaks. Both teams' streaks were ended at UNI.

In 2017, South Dakota (6) and North Dakota State (8) both had six-game win streaks (or better) to start the season.

In 2012, three league teams (Illinois State-5-0; North Dakota State-5-0; and Youngstown State-4-0) all started 4-0 or better before losing. That's the first time three different league teams started a season 4-0. That occurred again in 2017 as Illinois State (4-0), South Dakota (6-0) and North Dakota State (8-0) all started the year with lengthy win streaks.

Counting four teams in 2019 (and not counting the pandemic-shortened season in 2020-21), Valley Football has had at least two eight-game winners for 27-straight seasons.

In 37 league seasons, 80 teams have won eight or more games during the regular season, and all but six have made the playoffs: UNI (in 1989 and 1999), WIU (in 1994), and YSU (in 2001, 2005 and 2013) are the only league teams to win eight and not make it.

Sixty-four teams (including two teams in 2021) have won nine or more games in league history. The 2003 season marked the first in which more than two league members (4) won nine or more games the same season.

The 2007 campaign marked the first in conference history that two teams (UNI-11; SIU-10) had 10+ regular season wins. In 2014, Illinois State-10 and North Dakota State-11 matched it.

Only four teams (Southern Illinois in 2009, and North Dakota State in 2013, 2018 and 2019) have won eight conference games in a season (although the opportunity to go 8-0 has only existed since 2008). NDSU, in 2019, became just the 13th team in conference history to go undefeated in league play.

In 2021, Valley Football had a 27-14 non-conference record. The league has had a winning non-league record 29 times in 37 football seasons, which includes better than .500 marks in 24 of the past 27. Here are the league's top 10 non-conference records:

QB Nick Hill led the Salukis to wins against FBS members in 2006 (Indiana) and 2007 (Northern Illinois).

Missouri Valley Football has a total of 47 victories against FBS schools since 1985, including at least one every year from 1996 through 2003. Schools have won games against FBS opponents in back-to-back seasons 11 different times: UNI (1985-86); Youngstown State (1997-98); UNI (1998-99); Western Illinois (1999-00); Western Illinois (2002-03); Southern Illinois (2006-07); North Dakota State (2010-11-12-13-14); and Western Illinois (2016-17).

In 2012, North Dakota State became the only league team to beat an FBS opponent three-straight years (and that streak is currently six in a row).

In 2012, Illinois State (at Eastern Michigan) and North Dakota State (at Colorado State), defeated FBS schools on the same date (Sept. 8, 2012). It marked the third time in league history that MVFC teams posted multiple FBS wins on the same date (2001 and 2007 were the other years.)

In 2016, the MVFC established a league record with 4 wins against FBS schools in the same season. Illinois State beat Northwestern, North Dakota State beat Iowa, UNI defeated Iowa State, and Western Illinois topped Northern Illinois.

Youngstown State has won 72 percent of its non-league games (78-30) since joining the league in 1997.

On Nov. 7, 2009, Southern Illinois beat South Dakota State to claim the league's AQ. The game was the first meeting between two teams with 6-0 league records.

Counting North Dakota State in 2019, a total of 16 teams in league history have started a season with at least six-straight league victories.

In 2016, the MVFC recorded two wins against Big Ten schools for the first time in the same season, one of them was against No. 11/13 Iowa (by North Dakota State). It marked the MVFC's first win against a ranked FBS team in conference history.
