2011 State Farm Missouri Valley Conference Women's Basketball Championship Tournament

Quarterfinals - Game 3

#1 Northern Iowa, #8 Bradley

*Friday, March 11, 2011 * Family Arena, St. Charles, Mo.*

NORTHERN IOWA QUOTES –

Tanya Warren on the win-

"I thought we shot the basketball extremely well, but it started with our defense. I thought we were able to get some defensive stops, some steals, and it allowed us to get out and get easy points in transition. Once we were able to do that, I thought the second half, offensively, we did a great job of breaking them down off the dribble and making the extra pass; whether that was for a layup or whether that was to a wide open kid for a three. We shot the basketball extremely well, especially in the second half."

Jacqui Kalin on team depth-

"The depth of our team and the wholeness of our team have been the reasons we've had success all year. I've always said that our team is really unique and special and hard to guard because you never know who's going to step up. And that's from player one all the way down to the end of the bench. And tonight it really came from a spark down off the bench starting with K.K. (Armstrong) and it's just great to see that, and that's why we have success."

K.K. Armstrong on coming off the bench to score 26 points-

"I knew that I had to come out and play tonight and provide a spark today for my teammates."

BRADLEY QUOTES –

Paula Buscher on the game-

"You know I'm proud of our team. I'm proud of this team and how hard we've worked. We were going to play it hard until the last minute."

Paula Buscher on UNI-

"We played a really good team out there today. They play very unselfish basketball and take what their opponent will give them. Even if their go-to players aren't on, others step up and provide that spark to keep the overall energy level up."

Leah Kassing on Bradley defense-

"All season we've been focusing on the rebounds. We did a good job on the boards today."
