2011 State Farm Missouri Valley Conference Women's Basketball Championship Tournament

Second Round - Game 4

#5 Wichita State 58, #4 Creighton 52

*Friday, March 11, 2011 * Family Arena, St. Charles, Mo.*

WICHITA STATE QUOTES –

Jody Adams on facing Northern Iowa-

"At this time it's all about winning and moving on. UNI is a very good team. They have great interior presence and make you run your sets well. They play very well together and have great chemistry. They have maturity, so you don't see the rollercoasters. We will come ready."

Jody Adams on winning against Creighton-

"Creighton has been our thorn. We knew it was going to be a battle. We know they do a lot of things well; they are a great team with three great talented seniors. The youth in our team and how much we have grown this year from our overtime loss to Creighton have been learning lessons for us."

Haleigh Lankster on her performance-

"This was [one of my better games], but I give all that credit to my teammates and me being aggressive on the boards."

CREIGHTON QUOTES-

Carli Tritz on Wichita State's pressure-

"That's probably what hurt us the most because we got a little careless with the ball and they converted on quite a few of those. That's probably what was the deciding factor in the game."

Jim Flanery on not fouling at the end of the game-

"The fact that I didn't have a timeout left was probably the most influential part of that decision. I wanted to trap first and when you come out of the trap, you can't dictate who's going to take the foul without having a timeout."

Jim Flanery on the possibility of the WNIT-

"I know our kids will be excited if we get that opportunity. I don't know if they would take a team that has lost four in a row."
