2011 State Farm Missouri Valley Conference
Women's Basketball Championship Tournament

Quarterfinals - Game 5

#7 Indiana State 80, #2 Illinois State 51

*Friday, March 11, 2011 * Family Arena, St. Charles, Mo.*

INDIANA STATE QUOTES –

Teri Moren on the win-

“We've talked the last two days about it being a lot like a prize fight; coming out and swinging first and getting the first punch. At halftime we talked about our ability to keep punching and punching and punching. We just got contributions from so many different kids.”

Teri Moren on the game plan-

“We had the right game plan. I think our zone really got them on their heels early. Then our ability to defend in the half court when we were man-to-man with Brittany (Schoen) doing such a good job on (Katie) Broadway.”

Brittany Schoen on tying the Indiana State single-season three-point record-

“A lot of the credit goes to (Shannon Thomas) because they're keying in on her so much and that opens up the outside for us. She and (Kelsie) Cooley are down low working hard together. All the credit goes to them because they get us the open looks.”

Deja Mattox on the win-

“I felt like, as a team, that was our best game all-around. The whole game we weren't comfortable, but we were playing together and it was going our way.”

ILLINOIS STATE QUOTES –

Stephanie Glance on the game-

“So clearly it is very disappointing when you come to the conference tournament and you don't play your best. I give credit to Indiana State, they played great. They hit a lot of shots, played with a lot of energy, and we didn't.”

Shala Jackson on the team's offensive performance-

“We missed shots that we usually hit. There were open shots; we just couldn't knock them down.”

Emily Hanley on the first half-

“Indiana State came out ready to go. We didn't show up and it's very disappointing. They hit shots, we bricked shots and that was the game.”
